

David Pardue

**Class "A" Residential
Board Member**

Term: 2020-2025

I am originally from Burlington, NC, but full-time Sea Pines resident since 1995. My wife Rebecca (Becky) and I have 2 adult children and 3 grandkids. I attended the University of North Carolina and have been employed by Dacourt Group since 1968. I am active in real estate finance and investments in 46 states. Subsidiaries include Dacourt Golf, Inc., which owns and operates two golf courses in Myrtle Beach.

Significant volunteer work in higher education, including trusteeships for Elon University, UNC-CH and THA Foundation, which has financially assisted over 2,000 students at 6 universities during my tenure. Chairman of UNC-CH Building Committee for 7 years, overseeing the planning and construction of 57 construction projects. Lifetime honorary member of UNC-CH Board of Visitors. Other interests include hiking, biking, and music. A tuba player since age 12, I currently play with Savannah Wind Symphony and played with Hilton Head Brass Quintet from 2001-2010.

Becky and I knew from 1975, when we first visited, that Sea Pines was a special place for us. We bought our home in 1991. We enjoy our many friendships in Sea Pines, including several who were instrumental in the original development. We intend to live here for the duration. My interest is as a residential property owner, as I have no commercial interests on Hilton Head. My business and volunteer activities have involved extensive financial work, people and construction management, and negotiations.
