

Jessica Haire

**Class "A" Residential
Board Member**

Term: 2025-2027

A Sea Pines property owner since 2021, Jessica has been actively serving on the Community Infrastructure & Maintenance (CIM) Committee. She holds a B.S in Civil Engineering from George Washington University, an M.A. from American University and a J.D. from American University/Washington College of Law. Jessica brings hands-on experience in infrastructure design and on-site project engineering.

Formerly, Jessica worked for Thompson Hine LLP, then left to start the DC office of Burr & Forman LLP, a nationwide law firm, where she is partner and represents federal contractors in all aspects of government contracts and construction projects—from transactional matters and litigation to negotiations and debarment proceedings..
