

**Larry Movshin**

**Class "A" Residential  
Board Member**

**Term: 2019-2024**

Larry Movshin is serving his fifth year as a CSA Board Director, including three years as Chairman of the Board. Larry has served out of a desire to satisfy Sea Pines' evolving need for additional revenues to assure financial stability of the organization, and to continue to seek reasonable solutions to the regular challenges of operating and living in the Sea Pines community.

Larry is a graduate of Rutgers College (1971), and the George Washington University National Law Center (1974). He spent most of his career representing companies in the computer and telecommunications industries where he was negotiating business transactions and developing regulatory policies before the Federal Communications Commission and state regulatory commissions. In 2015, in recognition of his service to the wireless industry, he was inducted into the Wireless History Foundation's Wireless History Hall of Fame.

A native of New Jersey, Larry and his wife of 51 years, Lois, lived for over 40 years in the Washington, D.C. area prior to retiring to Hilton Head where they enjoy golfing, biking, pickleball and spending time with their three adult children and two grandchildren. He and Lois first came to Sea Pines as tourists in 1986 and then vacationed annually for the next 16 years before purchasing a home in Club Course in 2002.
