

Lee Ann Leahy

**Class "A" Residential
Board Member**

Term: 2023-2025

Born and raised in the New England states, Lee Ann was destined to be a CPA as the oldest daughter of a CPA. She majored in accounting, worked for PricewaterhouseCoopers LLP for 34 years, (having retired as a partner in 2018), had many different professional opportunities to work in many different industries and lived in four major cities. Lee Ann's personal and professional interest in working with diverse types of organizations afforded me the opportunity to be an advisor and auditor to many of the largest higher education and not-for profit organizations in the US.

Lee Ann has been an active member of the CSA Finance Committee from 2018 to present. Lee Ann and her husband, Michael, reside in Sea Pines for about 8 months of the year, with our two golden retrievers. We love the Lowcountry and especially Sea Pines. We started our trips to Sea Pines in 2014 and purchased a residence in 2018. The rest of our time is spent in Kennebunkport Maine as we love the beaches and relatively cooler temps in the summer. Lee Ann's outside interests include knitting, crocheting, and animal welfare/dog rescue.
