Phone: (716) 587-1369

### **Candidate Information:**

My wife Jane, an Artist, and I are from St. Louis. We purchased our Sea Pines home in 2008 and became full time residents in 2020. We have two married children and five grandkids. My education includes a BA, MBA, MHA, and an MA.

After over 40 years as a health care executive, I retired as President and CEO of a \$1.5B health system and became a founding partner of Medically Home, a company recently sold to Mayo Health. I have served on the Boards of many hospitals, health systems, and non-profit organizations.

Despite no Commercial interests, I was appointed a Class "B" Member of the CSA Board in 2018. I have served as Vice Chair of the Board, Chair of the Safety Committee and I currently Chair the Governance and Planning Committee.

My other interests include travel, music, golf, cooking and history.

### **Why I Wish to Serve the Sea Pines Community:**

I wish to continue to serve to help make our community even better while ensuring the complimentary interests of Home Owners, Renters, The Sea Pines Resort, Commercial Enterprises, CSA, and Visitors are aligned and continue to act in the mutual benefit and common good of the entire community.

We have owned a home for 15 years. In 2018, I was appointed to the CSA Board as a Class "B" Commercial Member, even though I had no commercial interests but a strong background in governance and executive leadership. I have come to value and appreciate even more the specialness of the Sea Pines Community. I better understand how the various interests can and do work together to make what we have even better. It seems the right time to become a Member of the Board elected by our fellow homeowners and neighbors.
